

19 April 2007

To: District 9 Commander

From: Executive Committee, Frank Spicklemire American Legion Post #60

Re: Progress/Activity Rpt for 2006/2007

We are excited to report that our post has made considerable progress and will continue this journey. Listed below are some of what has taken place to date and planned for the future.

1. Improved communication with the community by developing a comprehensive PR campaign.
2. Recruitment of (8) new members and receiving (3) transfers to our post since January.
3. In-barked on extensive facility rehabilitation, that will continue into the future as funds become available.

Projects completed:

- a. Insulation of a new Fire Suppression System in our kitchen.
- b. Up-grade and repair of restrooms and kitchen.
- c. Repainting and up-grade designs to our Main Hall.
- d. Replacing of Service Flags in Main Hall.
- e. Refinishing all the floors.

Immediate future plans:

- a. Repainting the Conference Room, hallways, Bar Area & Front Entry.
  - b. Repairing & Painting outside of building
  - c. Up-grading our Memorial Plaques.
  - d. Up-grade our outside sign.
4. It should be noted that our hall was used (96) times, for hall functions, civic uses, private parties and several occasions at no charge for non-profit fundraisers, blood drives, elections, memorials and funerals for veterans.
  5. Recently (11) members completed a two hour instruction on the proper ways to present honors to our fallen comrades. This instruction was provided by the Idaho National Guard Honor Guard.
  6. Instituted dinners prior to our membership meetings which has significantly increased member attendance.
  7. Successfully held 2 fundraising events since January with an additional fundraiser scheduled for May 5.
  8. Planning is underway for additional membership activities.
